Rec. No.	Recommendation	Response
Budgetary Control and Reserves		
R1	The Council should establish a prudent General Reserve over the medium term.	Discussed and noted at meeting 10.05.2023 min ref 23/14. Council felt the precept for 2023/24 at £7,000 was exceptional with the precept generally being £4,500, therefore will look to keep general reserves of £2,000.
